Part of the framework is the following behaviour code for students:

In NSW public schools students are expected to:
• Respect other students, their teachers and school staff and community members
• Follow school and class rules and follow the directions of their teachers
• Strive for the highest standards in learning
• Respect all members of the school community and show courtesy to all students, teachers and community members
• Resolve conflict respectfully, calmly and fairly
• Comply with the school's uniform policy or dress code
• Attend school every day (unless legally excused)
• Respect all property
• Not be violent or bring weapons, illegal drugs, alcohol or tobacco into our schools
• Not bully, harass, intimidate or discriminate against anyone in our schools
Do you, or a family member, live with a disability?

Ability Links Coordinators, known as 'Linkers' work alongside people with disability to find out what is important to them, identify their dreams, goals and hopes, and help make these possible. Community members, clubs, groups and businesses can also contact a Linker for information or support to be as inclusive and welcoming for people with disability as possible.

The simplest way
...to make a healthy afternoon tea.

Try these simple ideas for making snacks that will satisfy even the fussiest eater...

- **Home made hot chips**
  Slice potatoes into thin discs and arrange on a baking tray sprayed lightly with olive oil. Grill until golden, and serve with a small amount of tomato sauce.

- **Bite sized fruit with yoghurt**
  It's a fact- kids are more likely to eat fruit when it is cut up into small pieces. Try serving some diced fruit with some reduced-fat yoghurt. It's a winner.

- **Vegie sticks**
  These are so easy to prepare and make a super healthy afternoon tea. Try cutting up some carrot or celery sticks and serving them with hummus.
